Height	60 mm
Width	520 mm
Depth	590 mm

FEATURES & BENEFITS

Low Current Induction

This compact induction cooktop is the ideal option for replacing your gas or ceramic cooktop. With the potential to use existing wiring, this 19.7A rated current and 4.5kW rated power induction cooktop supports cost effective installations.*

Flexible cooking with Flexi Zone

With Flexi Zone, you can pair two zones to make a large cook surface. Make gravy in a roasting dish, sear a large cut of meat or grill vegetables on a griddle – Flexi Zone gives you even more cooking flexibility.

Intuitive controls

With easy-to-use touch controls choose from over nine heating settings, plus a boost function for versatile cooking and a child lock for added safety.

Hood to Hob compatibility

This cooktop features linked hood to hob capability, allowing you to pair it with a compatible Haier rangehood via Bluetooth. Once paired, the rangehood will seamlessly match the extraction rate to your cook zone power levels, so you always have the ideal extraction rate.

Easy cleaning

Cleaning is easy thanks to a cooktop that stays cool around your cookware, avoiding baked-on spills. A quick wipe after use will help to keep your cooktop looking pristine.

Matching design

The sleek black aesthetic of this cooktop matches the wider Haier family of appliances, pairing well with a black glass wall oven.
