

# Combi Front Loader Washer Dryer, 10kg + 5kg

Combination

White

Choose from a variety of cycles and options including 7 continuous wash-dry cycles for even more convenience. Wi-Fi compatibility puts you in control so you can start and stop cycles when it suits straight from your Smartphone.

- With 13+ innovative cycles to suit any load, including Wool and Allergy wash cycles

- Specialised UV Sanitise option helps to kill bacteria for a more hygienic wash
- Use the right amount of detergent for every wash with Smart Dose technology
- Refresh cycle uses steam to quickly reduce odours and creases using minimal water and energy.
- 5-Star Energy and 4.5-Star Water washer ratings, and 4-Star Energy dryer rating

## DIMENSIONS

Height	850 mm
Width	595 mm
Depth	688 mm

## FEATURES & BENEFITS

### Washer And Dryer In One

With seven continuous wash-dry cycles that cater to different types of fabrics you can just set and forget and come back to clean, dry clothing.

### Uv Protect Fabric Care

Our UV Protect feature uses UV light to help kill bacteria, which can be applied at a low wash temperature for long-lasting fabric care.

### Intelligent Washing

Simple and easy, Smart Dosing automatically delivers the correct amount of laundry detergent based on your load size and wash cycle.

### Smart Sensor-Dry

Auto-sensing technology is designed to sense how much moisture is in your laundry to avoid under or over drying. Full reverse tumble action helps to reduce tangling for a more even dry.

### Connected Living

With Wi-Fi connectivity and using the SmartHQ™ app, you can start or stop cycles directly from your smartphone.

### Considered Design

Intuitive buttons and LED display on a dark control panel makes it easier to select between wash and dry cycles even in dim light.

### Hygienic Environment

With an Antibacterial Treated door gasket and dedicated Drum clean cycle, it is easy to keep your machine clean and hygienic for a fresher wash or dry each time.

## SPECIFICATIONS

### Capacity

Total capacity	(Wash) 10kg + (Dry) 5 kg
----------------	-----------------------------

### Consumption

Energy rating	<b>5 star (Wash) + 4 star (Dry)</b>
Energy usage	<b>230 (Wash) + 162 (Dry) kWh/year</b>
Water consumption per cycle	<b>86 L</b>
Water rating (WELS)	<b>4.5 star</b>

- Powder dispensing compartment
- Reverse tumbling
- Smart dosing
- Soak
- Start/Pause button
- Steam refresh
- Time to go
- UV Sanitise
