# 6kg 300 Series Sensor Vented Dryer

#### White

For hassle-free drying and fewer tangles, this stackable vented dryer uses auto-sensing technology and reverse tumble action.

- With 15 dry cycles including Cotton, Bedding and Delicate
- Comes with stacking and mounting kits for flexible installation to fit any laundry setup
- Anti-crease function for less ironing

• Options for both front and rear venting to direct moisture out of your home

# DIMENSIONS

Height	830 mm
Width	600 mm
Depth	585 mm

# **FEATURES & BENEFITS**

#### Auto-Sensing Technology

This smart technology helps prevent over or underdrying of your clothes by automatically stopping the cycle once the load is dry.

## 15 Specialised Dry Cycles

Care for a variety of fabrics with dedicated dry cycles including Towels, Durable and Express 30.

#### Made To Match

This vented dryer is designed to pair with our matching washing machine, featuring a dark control panel, intuitive buttons, and a clear LED display.

#### **Reverse Tumble Action**

Alternating clockwise and then anti-clockwise, reverse tumble action prevents your clothes from tangling, allowing for a more even dry.

**Flexible Installation** 

With a stacking kit, mounting brackets, and reversible panel decal included, this dryer will fit perfectly with your washing machine, be it a top or front loader. Whether placed side by side, stacked, or wall-mounted, it offers a flexible solution to fit any laundry space.

### Dry Clothes, Dry Home

With both front and rear venting options you can dry your clothes effectively, while directing moisture out of your home.

#### Anti-Crease Option

Spend less time ironing and more time doing what you love with our Anti-crease option that can be added to any dry cycle.
