- 5 star water rating and 4 star energy rating

DIMENSIONS

Height	820 - 880 mm
Width	597 mm
Depth	554 mm

FEATURES & BENEFITS

Integrate Into Your Cabinetry

Integrate your dishwasher into cabinetry with a custom door panel and handle to match your kitchen design. The soft-touch LED controls are positioned on the top of the inner door, for a sleek exterior.

Sanitise Dishes

Add the Sanitise wash modifier to any cycle for a final high-temperature rinse that helps to kill 99.99% of bacteria.* **Independently tested to eliminate more than 99.99% of Staphylococcus aureus and Escherichia coli.

Advanced Drying

For effective drying, the dishwasher door automatically opens at the end of the cycle to help remove excess moisture. Add the +Dry modifier on any cycle for an enhanced dry, ideal for plastics.

Auto Wash Sensing

The Auto Wash program uses sensors to detect how dirty your dishes are and set the ideal wash, reducing unnecessary water and energy use for a more efficient clean.

Flexible Loading

With generous capacity, this dishwasher has a height-adjustable upper basket to make room for tall dishes in the lower basket, plus foldable cup racks and tines.

Smart Control

With Wi-Fi connectivity you can control your dishwasher through smart home speakers or your SmartHQ™ app. Select and start a cycle remotely, get an alert when the cycle is done, and more.

SPECIFICATIONS

Capacity and loading

Accommodates round plates up to (lower basket)	320mm
Accommodates round plates up to (top basket)	250mm
Fold down tines	•
