60cm 300 Series Built in Oven, 7 Function, Air Fry

Light Grey

With a subtle light grey glass finish, this oven has seven specialised cooking functions including Air Fry for healthier cooking with less oil.

- Available in four colour options to suit your unique kitchen design
- Seven oven functions including Air Fry, Pastry Plus and Pizza Plus
- Easy cleaning with self-cleaning catalytic side panels

* Even convection heating on every shelf

DIMENSIONS

Height	595 mm
Width	595 mm
Depth	569 mm

FEATURES & BENEFITS

Inspired Colour Choices

With a classic curved handle and subtle light grey finish, this Haier oven is the perfect complement to your kitchen. Adding a touch of brightness to any space, the unique light grey finish works especially well in understated kitchen environments. For those seeking more inspired colour choices to match their design aesthetic, this model is also available in stainless steel, black and mid grey.

Healthier Cooking

The options are endless with our specialised Air Fry oven function. Re-create your favourite fried foods with less oil, or discover healthier recipes with a satisfying crunch.

Versatile Oven Functions

Seven specialised cooking functions help you to cook a range of dishes, including Pizza Plus and Pastry Plus for a perfectly cooked base or golden pastry crust.

Easy Cleaning

Self-cleaning catalytic side panels in the oven help to absorb and break down fat and splatters during cooking. The oven door and inner glass can also be removed for full access to the interior when cleaning.

Considered Features

Designed for effortless handling, this oven has a softclose door, telescopic shelf runners and a triple-glazed glass door that remains safe to touch from the outside.

Intuitive Control

Simple stainless steel dials and a convenient touch display provide easy and convenient control over your cooking. Time your cooking effortlessly using the minute timer or program cooking duration.
